

# Annual Report

**State Fiscal Year 2006**  
**July 1, 2005-June 30, 2006**

*Providing Resources for Victims of Domestic Violence*

## A Message From The President:

WomenSafe, thanks in part to Mother Nature, learned a few very important lessons this past year. They included lessons in patience, in perseverance, and keeping your eyes on a goal even when obstacles completely obstruct your view.

Just after the June 2005 groundbreaking ceremony to celebrate the construction of our new, much needed shelter, the Green House, Hurricane Katrina wiped away the dreams of thousands of Americans on the gulf coast. The numbers of men, women and children left homeless and hurting multiplied daily. Their stoic faces spoke volumes: blank stares of shock and disbelief were captured nightly on the evening news. Their losses were massive - homes, treasured mementos, and hopes for the future, all gone in one moment, a result of Mother Nature's unpredictability. The faces of those victims were not unfamiliar to me – they reminded me of the steady stream of residents who come into WomenSafe's shelter every day, who have also lost everything, the result of partners whose rage is as unpredictable as the weather.

How could a hurricane more than 1000 miles away affect WomenSafe? A previously scheduled visit by the Army Corps of Engineers to review the Green House property site was put on indefinite hold, as matters were attended to down South. For nearly 14 months we waited, unable to clear the first tree, or even put up the sign declaring our long anticipated project. During that same time period, residency rates in shelter increased by more than 173%. The shelter basement/play room/garage donations storage area flooded seven times, and a loose gutter broke off and flew through the front window, shattering it. Never had the need for a new, larger shelter been more obvious. Simultaneously, construction and fuel costs were skyrocketing, increasing the pending costs of the new facility. At times, patience was at a premium. And then finally, a month ago, we received the long awaited site visit, as well as the necessary permits and certifications, and...as I write this, construction is underway! Generous donations by this very supportive community have put us within \$250,000 of our new, increased fundraising goal of \$2.6 million.

So often we discuss the overwhelming obstacles that residents in shelter must overcome to create new lives for themselves and their children. Leaving an abusive partner requires enormous courage and perseverance over seemingly insurmountable odds: coming to terms with a complete change of lifestyle, an average reduction in household income of more than 70%, becoming a single parent, dealing with the long lasting effects on children, and the unwarranted social stigma and shame associated with being a victim, to name just a few. I realize of course that any small obstacles WomenSafe overcame during the last year were representative of only a small portion of what residents of the Green House will deal with every day.

If anything can be learned from Hurricane Katrina, it is that being prepared for the impending storm is key to surviving it. The Green House will provide all the necessary services needed by victims of domestic violence who are weathering their own storms. With your help, we will continue to serve women and children who deserve an opportunity to create lives free of rage, free of fear, and full of hope. For all those who will come through our doors victims, and leave survivors, we thank you for your ongoing support of WomenSafe's mission to end domestic violence.

Todd Donnelly, R.Ph.  
President,  
WomenSafe Board of Trustees

## WomenSafe, Inc. Board of Trustees SFY 2006

### Executive Committee

Todd Donnelly, R.Ph.

Shayna Jackson, MSSA, LISW  
*Executive Director*

*WomenSafe's Mission is to provide emergency shelter and support services for survivors of domestic violence in Northeast Ohio.*

**In order to serve this mission, WomenSafe Inc. is proud to offer the following services, free of charge:**

**Emergency Shelter**—WomenSafe provides safe shelter for victims of domestic violence and their children. The shelter offers a comforting and supportive environment in which to heal, receive counseling, consider alternatives and develop plans and goals. All basic necessities are provided to residents.

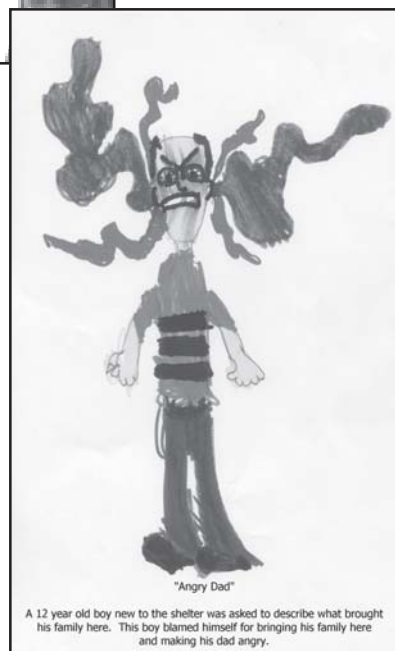

**COPEline**—a 24-hour hotline for support and crisis management.

**Counseling**—trained counselors are available to aid adults and children in the exploration of alternatives, as well as to facilitate support groups for victims of domestic violence.

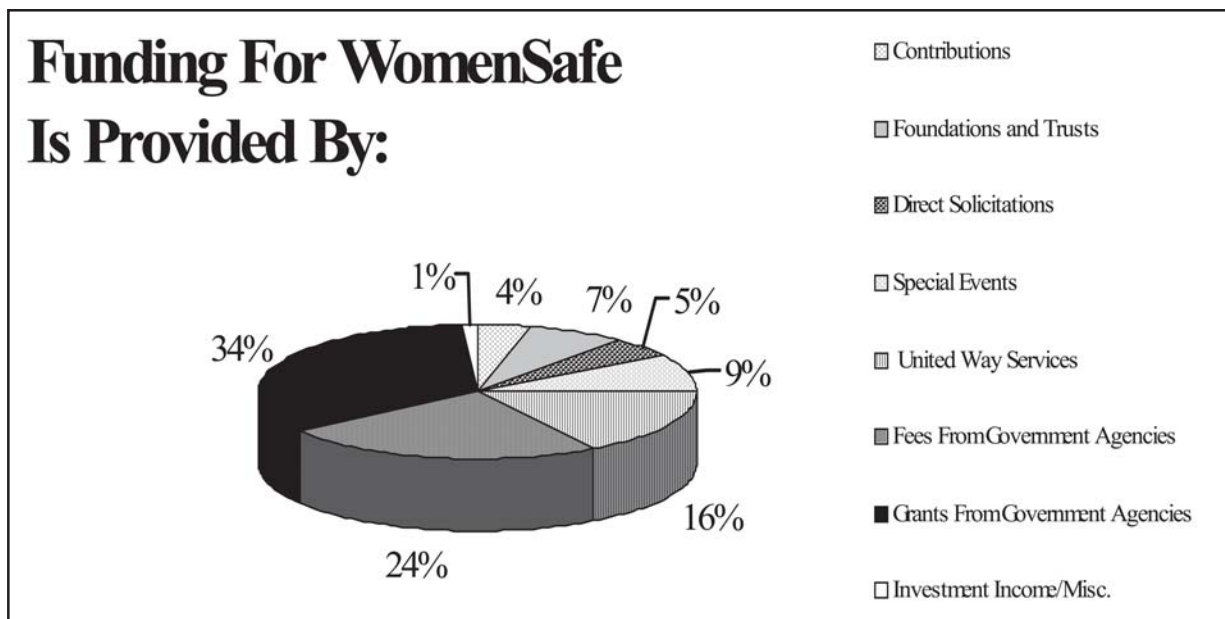

**Advocacy**—trained professionals are on hand to accompany victims of domestic violence and their children to an attorney, court, or social service agency.

**Outreach Services**—counseling, art therapy advocacy, and aftercare services are available for individuals who do not request protective shelter. Additionally, WomenSafe provides specialized educational programs to schools, church and civic groups, corporations, and healthcare institutions.

## In State Fiscal Year 2006:

- ❖ WomenSafe provided 2440 emergency shelter days. More than 150 adults and children were kept safe from harm.
- ❖ Ninety percent of people engaged in counseling gained greater insight into the issues of domestic violence and the impact the violence has had on them and their family.
- ❖ Ninety percent of people who received services increased their awareness of available services.
- ❖ Nearly 1400 people called WomenSafe's hotline and received crisis management and support.
- ❖ Over 1500 children were educated on dating violence and recognizing unhealthy relationships.
- ❖ WomenSafe's 120 volunteers committed to nearly 5500 hours of service. From fundraising to staffing our 24-hour crisis hotline, to assisting at shelter, to sorting donations, our volunteers help in a variety of ways.

*WomenSafe, Inc. has contracts and/or service plan agreements in place with a number of funding sources and agencies. Including: Geauga County Board of Mental Health & Recovery Services, Title XX via the Geauga County Department of Job & Family Services, Family First Council, Emergency Food Management Agency, Medicaid, Marriage License and Divorce Fees, Victims of Crime Act via the Ohio Attorney General's Office, Family Violence Prevention Services via the Ohio Office of Criminal Justice Services, Violence Against Women Act via the Ohio Office of Criminal Justice Services, Family Violence Prevention Fund via the Ohio Office of Criminal Justice Services, Ohio Department of Development, and United Way Services. Additionally, WomenSafe receives referrals from local law enforcement offices, hospitals, churches, victim services providers, criminal justice systems, and other social service providers in the community.*

# Coming in 2007...the Green House

*Special thanks to these individuals who have contributed to WomenSafe's new shelter.  
The Green House is scheduled to open in 2007.*
